- \* The technical service will implement the conduit – electric conductor, from the distribution point in a hall to the exhibitor's exhibition space.
- \* In case of special requirements (e.g. powerful connectors), it is necessary to submit the appropriate documentation (connection diagrams, etc.).
- \* Electrical installation providers in the exhibition space (exhibitor or authorised company with contract with GR) shall confirm with a statement that all the appropriate technical regulations, standards, and norms were applied during the implementation of works.
- \* The electrical connection installer in the exhibition stand is obliged to provide for the earthing of metal parts of the construction.

### Conditions of use of technical connections and equipment of the exhibition stand:

#### 1. Order – Order Form

The exhibitor – client orders services with a fully and correctly completed Order Form.

The exhibitor – client shall submit the order to the provider 21 days before the beginning of the event at the latest, or within the prescribed time. By confirming the Order Form, the exhibitor – client irrevocably orders services and agrees with conditions of the provider. For the exhibitor – client the Order Form is a binding and irrevocable Addendum to the Application Form. Provisory orders will not be considered by the provider.

#### 2.

With the order, the exhibitor – client obliges to pay for the services marked on the Order Form at valid service prices and under the conditions of the provider.

#### 3.

Fully and correctly completed Order Form is the condition for the implementation of the order.

#### 4.

The provider reserves the right to select the material and equipment needed for the implementation of the service, unless otherwise agreed.

#### 5. Cancellation of the order

In case of cancellation of the order more than 7 days before the beginning of the event, the provider is entitled to a cancellation fee in the amount of 15% of the value of the order. In case the order is cancelled less than 7 days before the beginning of the event, the amount of the cancellation fee is 50% of the value of the order. In both cases the cancellation fee is the agreed lump-sum compensation for the loss of the provider.

#### 6. Payment terms

The exhibitor – client receives a pro forma invoice which is to be paid on the whole until due date. The payment is the condition for the implementation of the order.

After the services has been performed or after the event has finished, the provider issues an invoice to the exhibitor – client.

In case the payment term is exceeded, the provider reserves the right to charge the legal penalty interests charge.

The exhibitor can object to the invoice within 8 days after the receipt. If the exhibitor – client objects only to one part of the invoice, they are obliged to pay the undisputed within due date.

#### 7. Cancellation of the order

The provider has the right to cancel the previously confirmed order in the following cases:

- if the exhibitor – client fails to settle their liabilities within due date;
- if there are outstanding debts of the exhibitor towards the provider, arising from the past;
- if the exhibitor's – client's requirements are in contravention of general provisions of work on the exhibition grounds.

#### 8. Force majeure

In case the event is cancelled due to force majeure, the provider is entitled to 50% of the agreed value of the order for the already completed order.

#### 9. Technical conditions

The exhibitor – client has to supply all technical requirements for implementation of the exhibition space or preparation of technical connections. Requirements have to be supplied in due time (within due date, stated in the head of this Order Form) and in written form (e-mail, fax, mail). All the valid regulations on fire safety, safety at work, and general provisions of work on the exhibition grounds have to be observed.

#### 10. Takeover conditions

The takeover is performed by the exhibitor – client and representative of the provider at the latest:

- 12 hours before the beginning of the event for furnished exhibition space;
- 2 hours before the beginning of the event for electrical, TT, and water connections;
- up to the beginning of the event for additional orders and services that were not ordered in due time.

The exhibitor – client, who fails to take over the completed order in time, is not entitled to complaint concerning the performed service.

#### 11. Guarantee and insurance

a) The exhibitor – client is obliged to protect the hired equipment and materials. The exhibitor – client will be held fully responsible for any damage or losses that occur.

b) The provider will not be held responsible for incorrect orders (forms). The provider will charge all corrections and additional interventions, arising from the change of the order.

c) Any activities on the construction, installation, or equipment are not allowed without knowledge of the provider.

d) The exhibitor – client is not allowed to rent the exhibition space, installation, leased equipment, or materials to a third party. In case of violation the provider reserves the right to charge a contractual penalty in the amount of 50% supplement of the value of the order on this Order Form.

#### 12.

The exhibitor – client renounces all objections, arising from copyright.

#### 13.

The provider obliges to hand over cleaned exhibition space and equipment.

#### 14.

The District Court in Ljubljana is responsible for settlement of any disputes between the exhibitor and the provider.
